

## Meeting Minutes – 6/17/15

The meeting was called to order at 7:03 p.m. by President Katie Yaranon. Katie asked everyone present to introduce themselves. Katie especially welcomed the new members who were in attendance.

Katie announced the upcoming gymkhana clinic on August 15 at Cool Hills Ranch. There will be something for everyone. The cost will be \$30. A sign-up sheet was routed around to get a show of interest.

It was noted that four members have qualified for the Trail Patrol. BLM has not yet provided the new forms, so the old version was passed out to members to fill out. The completed forms can be mailed to Pam Hanback (3801 Catecroft Lane in Cool).

The July 15 general meeting will have a representative from Peace on Trails to give a presentation.

The August 19 general meeting will be held at Katie's house for a fun pool party.

The September 16 general meeting will have a vet from Loomis Basin come to speak. Members were canvassed as to their preferred topic(s). The feedback included quite a list, such as wounds, colic, heat stress, ulcers, Pigeon Fever and the newest treatment technologies available.

DHA is tentatively planning a trail trials event on October 3. The specifics of the event will be forthcoming.

Steve Lenheim talked about an upcoming meeting at the Grange regarding emergency evacuation. It was noted that DHA's 2015 Directory already lists evacuation sites with the location and phone numbers of the respective contacts.

At the conclusion of the business meeting, Carole Wade introduced Christine Amber who came to give a presentation on safety vests. Three ladies who were at the meeting had also purchased a safety vest. The demonstration proved to be very interesting and informative.

The meeting adjourned at approximately 8:00 p.m.
