

Meeting Minutes 6/21/17

The meeting was called to order shortly after 7:00 p.m. by President Katie Yaranon. Doug Avery was gracious enough to host this month's meeting/barbecue at his beautiful ranch in Cool. Folks were eager to strip down to their bathing suits and take advantage of the nice pool.

A draft letter to ASRA was routed around for signature to those members present. Katie also reminded everyone about the obstacle clinic on June 25 to be hosted by Leslie and Ron Prevost at their Seducente Ranch in Pilot Hill. The \$10 fee will include lunch and the clinic was quick to fill up.

Katie also announced that the July meeting will take place at Claudia Gibbens' ranch in Cool. DHA will provide the meat for the barbecue and members can bring the rest.

The meeting was adjourned well before dark.

All the best, Charlotte
