

## Meeting Minutes 11/18/15

The meeting was called to order at 7:00p.m. by President Katie Yaranon. Katie gave a brief overview of the upcoming holiday party on December 5. The survey flyers and membership forms will be available at the holiday party.

The purpose of the survey is to find out from the membership what they would like to see in the way of activities for the Club. This will greatly help with planning a calendar of events for 2016.

The January general meeting will be DHA's membership drive. The location for the meeting will be the Heart to Heart Winery in Pilot Hill. Katie is coordinating the event and will check with the owners to establish the time, etc. Members will be asked to bring hors d'oeuvres, and there will be a nominal fee for the wine that Heart to Heart will provide for tasting.

Speaking hours, Steve Lenheim suggested a change of time for the general meetings. This would be especially welcome during the winter when it gets dark so early.

Katie briefly mentioned the subject of liability insurance and said that it will be further discussed by the Board in 2016.

A nice variety of t-shirts and sweat shirts were available for sale at half price! Members at the meeting actively purchased their favorite styles and colors.

The meeting adjourned at 7:40 p.m.

All the best,  
Charlotte
